Commissioner:

The references cited on attached form PTO/SB/08A&B are being called to the attention of the Examiner. Copies of the references are not enclosed.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

Reference AA cited in this IDS is a commonly owned issued U.S. Patent Application. A copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

References AD, AF, AH, and AI cited in this IDS were cited in an Office Action mailed on September 7, 2005 (cited in this IDS as reference AJ) in commonly owned U.S. Patent Application No. 10/794,987. A copy of the Office Action is not included with this IDS since a copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicant believes that no fee is required for submission of this statement. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,
